Changed Status from **New** to **Open**.

Hi Lisa and Amanda,

I'm working on this now. Couple quick questions. Since we're pulling random questions from each week, are you ok with all questions being marked out of 1? Student totals can be thrown off if we assign different mark totals.

Also, would you mind taking a look at the preview for the question with the brain diagram. I just want to make sure this is what you had in mind. I'm happy to change it if that's not what you were after.

Thanks,

Brad

Hello,

The brain diagram looks great thank you!

I think that would be fine, unless Lisa has different thoughts?

Amanda.
