

# Self-Enrol into an OpenCourses Course (External)

The **Fetal Alcohol Spectrum Disorder (FASD)** course has been created in OpenCourses which will require you to self-enrol to access the materials. OpenCourses is TRU's iteration of Moodle that is open to anyone, including those outside of the TRU community, to make learning accessible to a wider audience. To self-enrol:

1. Visit: [opencourses.tru.ca](https://opencourses.tru.ca).
2. Click the **Login** link in the upper-right corner of your screen.

3. The first time you visit OpenCourses, you will need to create a new account by clicking the **Create New Account** button.

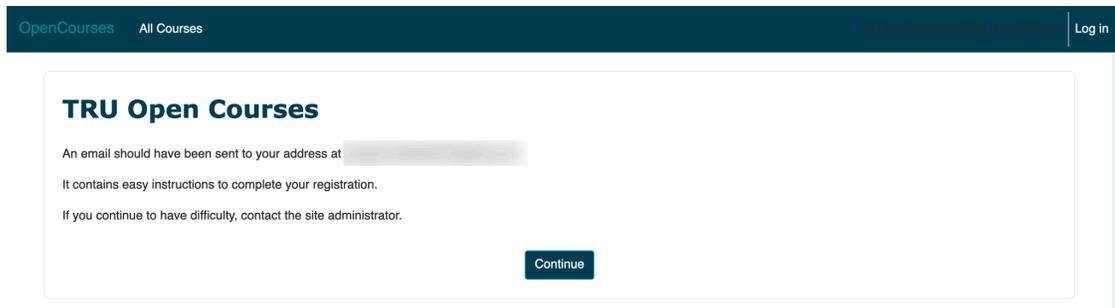

4. Fill out the required fields.

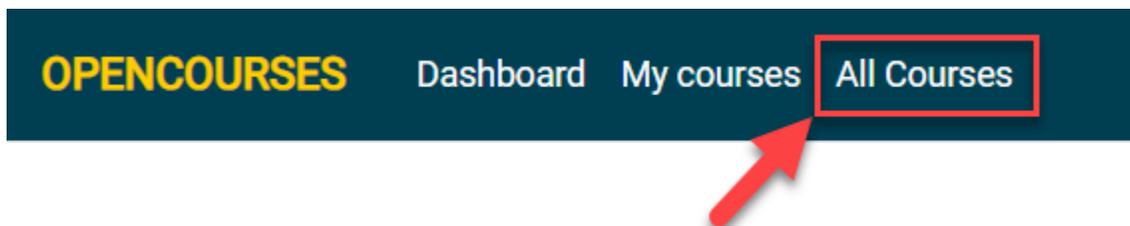

The screenshot shows a 'New account' registration form with the following fields and instructions:

- Username** (required): A text input field.
- Password** (required): A text input field. Below it, instructions state: "The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 special character(s) such as \*, -, or #".
- Email address** (required): A text input field.
- Email (again)** (required): A text input field.
- First name** (required): A text input field.

5. Once you get the following confirmation message, visit your email and follow the instructions to activate your account.

6. Once you have logged in, click the "All Courses" link in the upper-left corner of your screen.

7. Expand the "Open Access Courses" menu, and select **FASD [Month Year]** depending on when you are beginning the course.
